

## **Advanced ticket sales**

Due to the popularity of our shows and as they are open to the general public, the opening day of box office sales can be very busy. We are aware that in previous years some parents were unable to secure the seats they wanted so for the past few shows we have held a 'Pre Sales' day to allow parents/friends/relatives the chance to purchase tickets in advance.

This year Charter Hall have allocated us 280 tickets per performance to sell at our pre sale. Once these run out then tickets will be available to purchase from **colchester-events.co.uk/whats-on** on April 1<sup>st</sup>.

The advanced ticket sales will include the middle section of the stalls and the middle section of the tiered. Please see seating plan on our website.

We will be holding the sale on the following day.

**Date - Saturday 7th March**

Stanway School (please wait where you normally drop off)

**Time – 2pm-4pm (unless tickets sell out sooner, a note will be put on Facebook if we do sell out)**

Please note the following information:

Doors will open at exactly 2pm. The school is open from 9am if you wish to queue early. Please be patient whilst queuing and purchasing your tickets.

Please do not save places for friends in the queue.

There are only 280 tickets available for each performance on this day and it is on a first come first serve basis in person.

There is no limit to how many tickets you can purchase on this day.

Different families can join up and arrange to purchase tickets for each other. As long as someone queues to buy tickets it doesn't matter who you are buying them for.

**Tickets cannot be reserved in advance via email.**

**Please do not approach teachers or staff and ask them to reserve your tickets in advance.**

If you cannot attend the pre sale and cannot send someone along then please do not worry! You can still purchase tickets when box office opens in April as there will be plenty still available!

If you require a wheelchair space then please email me before the pre sale.

**Please be advised that payments can only be made by cash (correct money)**

Tickets are Adults **£20**

Children under 10 **£18**
